To the Team at Merton Park Film Studio,

On behalf of SickKids Foundation, I would like to extend our sincere thanks for your intention to include SickKids Foundation as the beneficiary of the net proceeds from the sale of the featured home on the pilot episode of Home Selling Heroes, should the series be picked up.

Your generous vision and support have the potential to help SickKids continue to lead in paediatric research, patient care, and global child health. Every dollar raised through community-driven efforts like yours has a direct impact on the lives of children and families who rely on SickKids for hope and healing.

We commend the innovative spirit behind Home Selling Heroes and appreciate your commitment to making a lasting difference.

Thank you for supporting our vision: Healthier Children. A Better World.

With appreciation,

Christine Ciuciura
